SUMMARY

OBJECTIVE

The main objective of the course is to educate the participants about project management & help them **become a certified junior project manager.**

WHAT PARTICIPANTS WILL GET

The 1 Day course will focus in providing participants with a good understanding about project management based on the course syllabus & prepare them for the official examination. In detail:

- 1) Understand how to start, execute & end a project successfully
- 2) Learn about the people involved in a project
- 3) Apprehend the competencies that are crucial for a project manager
- 4) Be prepared to take the IAPM Certified JuniorProject Manager exam & get certified!

ABOUT THE CERTIFICATION

BENEFITS

- Competitive edge against others without project management certification
- Lifelong certification - valid lifetime!
- Worldwide recognition (widely used in Germany, India, Austria, Switzerland)

REQUIREMENT

- No working experience needed
- No minimum education needed but upper-secondary (SPM) recommended
- Basic command of English

COMPARISON *(against other PM certification)*

- NO yearly renewal needed (save cost)
- NO yearly hours (CPD) required
- Shorter course (1 Day only)
- **Cheapest project management cert**

ABOUT THE **CERTIFICATION**

EXAMPLE CERTIFICATE

Note:

- 1) Each Certificate is unique with ID & Issuance Date
- 2) NO expiration date since it is valid lifetime

ABOUT THE IAPM

- The International Association of Project Managers (IAPM) is a globe-spanning association and certification body for project managers.
- Founded in 1997
- The organization is headquartered in Liechtenstein, Europe
- IAPM certifications are recognized worldwide
- Companies that regularly have their project personnel certified by the IAPM include Rheinmetall, Diehl, Edeka, Siemens Healthineers, CANCOM and LIDL
- Their guiding publication is PM Guide 2.0
- Around 7187 certified project managers worldwide (169 countries) - up to Apr 2025

ABOUT THE **TRAINING PROVIDER**

Trex Consultancy Sdn. Bhd. was established in 2020 to provide comprehensive training & consultancy services to enhance the competitive edge of our clients. The company is headquartered at Penang & has a branch at Selangor. Their mission is to support the development of client's team members through targeted upskilling, delivered by professional trainers who are subject matter experts. They emphasize the importance of offering long- term support to clients and are committed to helping clients build and grow their workforce through customized training programs.

All their training session are HRDC claimable (HCC scheme) with the training costs covered directly by HRDC levy contributions. The team at Trexx also do assist with all necessary documentation and information required to help clients apply HRDCorp training grant..

ABOUT THE TRAINER

Ir. Ts. Prakash Rajah

Lead Project Management Trainer

Ir. Ts. Prakash is a professional engineer and corporate trainer with over 20 years of experience, specializing in project management with a focus on experiential learning. He brings real-world insights from his work with U.S. and European multinationals in semiconductor front-end and back-end operations.

Starting his career as a device engineer after graduating from UTM Skudai (Electrical Engineering, Telecommunications), he advanced to program manager, notably leading a major fab transfer project from the U.S. to Malaysia. He later earned an MBA from UPM and held diverse project management roles in product development, integration, yield, and R&D.

He is certified in PMP, ACP, and CSM, holds four U.S. patents (with one pending), and has published papers on die design and tech transfer. A strong advocate of continuous learning, he blends theory with practice and is passionate about sharing his expertise.

ABOUT THE **COURSE & EXAM**

The course will be held for 1 Day (9am to 5pm each day) covering all exam topics

The session will be entirely via Virtual. Zoom application will be used.

Training material & notes are provided

The course will focus around the exam syllabus. The modules will be aligned to IAPM PM Guide 2.0.
