Monthly Tips:

01

Tracking Multiple Projects at Once

Companies that actively track multiple projects reported 32% higher on-time delivery & 42% fewer budget overruns. Key success factors are: Centralized Dashboard tracking all projects, 80/20 formula focusing on key tasks, predict delays by tracking tasks variance reports & Weekly Scorecards for each Project.

02

Keep the Golden Triangle Close to Heart

For traditional project management, the project lead needs to focus only 3 key pillars that determine project success: Scope, Schedule & Budget. Any change in 1 element affects the other

Monthly Article:

The Art of Delegation by Project Managers

In today's fast-paced, multifaceted project environments, delegation is not optional—it's essential. Delegation is often misunderstood as simply offloading tasks, but in project management, it's a powerful strategic tool.

This article will focus on delegating project task effectively to project team members
