01

### **Take a Break! For yourself & your team**

Trex Consultancy would like to wish a Merry Christmas too all those who are celebrating & Happy New Year to all our stakeholders! Let's all take a well deserved break & recharge for the coming year.

02

### **Implementing a proper Project Closure**

With the year ending, some projects aligned with the company fiscal year may end too. Formally close projects by validating deliverables, obtaining stakeholder sign-off, documenting lessons learned, releasing resources, and archiving records to support future improvements.

## Monthly Article:

### **Hybrid Project Management: Integrating Agile & Traditional Approaches**

As project environments evolve, using traditional or agile approach alone towards managing projects might not be effective. This is where a HYBRID approach helps organizations to combine traditional structure and Agile flexibility to enhance project success rate.
