01

Lessons from our country's Independence

As Malaysia celebrates "Merdeka" day on 31st Aug as well as Malaysia Day on 16th September, we should reflect on the unity of all races that helped to gain it. Similarly project team unity is crucial for project success. It can be enhanced via joint project work, team lunch or dinner and team building.

02

Soft Skills is more important than ever

With AI being able to carry out administrative & documentation task, soft skills are now the competitive advantage for project managers. Key skills include emotional intelligence, communication prowess, adaptability, and leadership.

Monthly Article:

Step-By-Step Guide to Create An Effective Project Plan

68% of projects fail due to poor planning. A strong plan isn't optional—it's survival, guiding you through deadlines, shifting scope, limited resources, and tough stakeholders.

This article will focus on creating an effective project plan.
